CABERNET SAUVIGNON

Alexander Valley

The vineyards and wineries of California's Alexander Valley are known for growing and producing some of the world's most acclaimed Cabernet Sauvignon. The region's alluvial soil beds and early morning fog that burns off the warm days during the summer growing season add a rich note of chocolate and voluptuous mouth feel. This medium body Cabernet Sauvignon has aromas of black cherry, cassis, plum, slight blueberry, vanilla, oak and chocolate. It is a fruit forward wine with lush flavors, nice balance and a long silky finish.
